

Sports Premium Funding

Kingfisher have used their sports funding for the following,

- Purchase of the Greenacre Sports Package.
- provide existing staff with specialist training and resources to help them teach PE and sport more effectively

Year Group	Greenacre Trained	Impact	Skills Learnt	
1	Yes Multi Skills	Improved teaching skills	Sport specific drills and Assessment	
2	Yes Gymnastics	Improved teaching skills	Competitive elements use of equipment effectively.	
3	Yes Multi Skills	Improved teaching skills	Classroom management and warm up drills.	New Year 3 Teacher to have CPD Sept 2017
4	Yes Basketball	Improved teaching skills	Warm up drills and Assessment	
5	Yes Gymnastics	Improved teaching skills	Classroom management Use of equipment.	
6	Yes Athletics	Improved teaching skills	Fundamental skills and development.	

- Introduction of new sports (American Flag) and activities and encourage more pupils to take up sport.

- Swimming lessons for current Year 4 and 5 pupils

- Kingfisher have entered all the Medway Mini Youth Games sport competitions.

- Kingfisher have run sports activities and competitions with other Griffin Schools and had their annual sports day in June for parents to watch the whole school including FS1/2

- Cost of Competition Service Level Agreement with Greenacre Sports Partnership

- Resources to support improved teaching in PE.

- After School Sports Clubs. Extra curricular sports activity has been increased this year.

- Sports competitions shows there has been a significant increase in competition participation from last year to this year. The children have loved representing the school and competing against other schools from across Medway. This was particularly demonstrated at the girls football tournament when they won the fair play award for sportsmanship, which was voted for by the other schools competing in the competition.

- Signposting children to outside of school sports clubs/teams.

- Taking part in the Griffin Schools Trust sports strategy planning

Chatham Table Tennis

GKR Karate

Rumbols Boxing

Working in line with the latest Ofsted recommendations, we provide at least two hours of PE each week and aim for a minimum of 5 hours of physical activity each week.

Griffin Schools have a provision for high quality PE that enables pupils to exceed in sport by providing a variety of extra-curricular and traditional activities. At Kingfisher we offer an ever increasing range of stimulating lunchtime and after school clubs, accessed by children from Key Stages one and two to ensure that they are very well equipped for the next stage of their education. The PE and sport premium for primary schools has enabled us to work with sports specific PE coaches and develop our provision for swimming lessons at KS2.

KINGFISHER
PRIMARY SCHOOL

PE provides many great experiences for the children at Kingfisher to express themselves, build self-confidence and enhance social skills as well as gaining knowledge of living a healthy lifestyle. Working closely with sports providers in the local community, such as Gillingham FC, Medway Park and Greenacre Academy, we are able to offer a whole variety of inspiring activities. The Mini Youth games, HSSP events, Griffin Sports Festival and Annual School Sports day are just a taste of the traditional competitive events that the children are able to access. We also host a Healthy Living week each year where pupils

get to take part in a variety of sports and also have workshops on healthy eating and looking after yourself. This year the Quorn lady cooked chilli and quorn nuggets and Contract dining helped children make healthy sandwiches and fruit smoothies.

Case study 1 – One of our girl pupils in year 6 was put forward by Kingfisher to attend Medway District Girls football Trials. She has been successful and is now playing for Medway under 11 girls. This has had a very positive impact on her in terms of her confidence, participation and behaviour in P.E.

Case study 2 – Kingfisher was approached by a parent who is interested in running a local football team for under 10.s. He has asked Kingfisher if he can use our facilities at the weekend to train. This has now been organised and Horsted FC will start training in September 2017. This will have a huge positive impact for our pupils who will now have a local community football team within walking distance and not have to rely on public transport.

Achieving the Sainsburys Gold Sports Award 2015/16 and awaiting 2016/17 Gold Award.

Sustainability for next academic year is to expand the PE provision within Kingfisher. A specialist PE/Year 6 Teacher will be starting in Sept. An apprentice from Gillingham FC will continue for a second year supporting Year 6 and PE and A Specialist Dance graduate is at Kingfisher also supporting PE teaching and learning.

Sports Club 2016	No Of Children	Sport and Health Clubs 2017	No of children
Karate	13	Karate	13
Gymnastics	29	Gymnastics fs-6	20

		Mon & Fri	
Mini Youth Games	25	Mini Youth Games	30
Football	30	Football Team	11
Fitness	8	Multi sports	21
		Cooking	12
Totals	154	Totals	178

As the year has gone on more children are taking part in our after school sport and health clubs and we have seen an increase from the start of the year. Our aim for next year is to increase the number of clubs for FS AND KS1 and aim for 100% of our pupils to attend at least 1 club either after school or at lunchtimes.
