Congratulations

May we take this opportunity to congratulate two of our members of staff who got married (not to each other) during the summer holidays. Mr Scott and Mrs Chase-Griffith (Ms Nock). They both had fantastic days and we wish them and their partners every luck and happiness for the future.

Uniform

Thank you for making our children look so smart in their uniforms this week, it really does set the standard of us being Griffin Great! As a reminder, please ensure your children also have appropriate PE kit in school. Only white or house coloured T-shirts are permitted, with black or navy blue shorts or tracksuit bottoms.. Trainers or plimsolls are allowed, and these do not need to be expensive! Football tops or kits are not permitted for PE lessons. All children are required to get changed for PE, and need to be able to do this independently. Children are allowed a watch and small stud earrings only, which must be removed for PE lessons.

Gates

As you will have noticed, our new electric gates have been installed over the summer. These are to ensure the safety of all of our children and community. If you are bringing your children to school, or picking them up between 8.15am and 5pm, please park outside of the gates and walk in through the pedestrian gate. If you are visiting the school for a pre-arranged appointment during the school day, please call the buzzer and we will be able to let you in. We appreciate your understanding and continued support in keeping our Kingfisher family safe.

Fishers

Our community café, Fishers, is open every Wednesday morning between 8.45 and 9.45am. Pop along for a cup of coffee, some toast and the chance to relax for a while with friends, or maybe meet some new ones! All members of our community are welcome.

Medical / Dental Appointments

Could all parents please ensure, where possible that all dental and medical appointments are made outside of school hours and/or during the school holidays. If appointments during school time cannot be avoided, proof of the appointment date and time will be requested.

Issue 12

Welcome back to the start of another exciting and successful year at Kingfisher. A special welcome to our new families and children who are joining us in Reception and Nursery. We are proud to have you join us as part of our Kingfisher and Griffin family.

It has been lovely to see all the children looking so smart and ready for learning in their uniforms. Lessons are already underway in what I am confident is going to be another busy and amazing year.

The staffroom has also had a huge transformation over the summer and is now an inspiring and relaxing place to be. Thank you to everyone who helped make this possible.

Our Kingfisher value this term is respect. We will be continuing our mission to respect people, property, animals and the world. It might not mean much to us, and it doesn't cost us anything to be respectful. But, it can mean the world to someone else. It has been humbling already in 3 days to see so many of our children earning their respectful badger stickers and treating people in the way they wish to be treated. Well done everyone!

A huge THANK YOU to Medway Sport and Mrs Brightman for organising FIT and FED for many of our children during the holidays. It was great to see so many of our children active and enjoying a healthy tea.
