Superheroes zooming with courage

BREAKING NEWS!

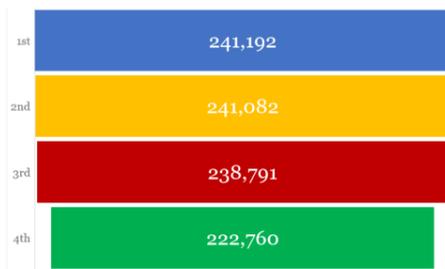

Our superhero teachers have been busy again this week, coordinating their powers with each other, ensuring that no Kingfisher child is left behind. They will call if they do not see you on Zoom to check you are ok and make sure you are able to engage with your learning. Knowledge is power!

House point totals

Hot off the press! The results are in! The house points have been collected for all the Griffin schools and the winners this year are the blue team (Phoenix). Well done everyone for your hard work to collect house points. It is really important that we work as a team and support each other. Congratulations blue team!

Joy

Joy is often associated with life changing events such as birthdays, celebrations and anniversaries and I have personally had the pleasure in the last week of sharing friends' news of their pregnancies and engagements. These are all wonderful things to look forward to in the future and big plans to be made, filling us with hope and excitement.

But sometimes joy can be found in the smallest of things such as a deep breath of cool, fresh air, or a cup of tea and five minutes peace! Today we are celebrating our Founders Day and we have experienced great joy together through singing and dancing, being together and sharing our time. I urge you all to find joy in the small things. Perhaps talking to a close friend, going for a walk, doing something you truly love or having some 'me' time.

Find your joy and make time for tea.

Ms Armstrong

Founders Day

Wow what fun we have had today celebrating our Founders Day. This is a day when we celebrate the birthday of the Griffin Schools Trust and come together as a family of schools and embrace what it means to be a Griffin. This morning we shared in a virtual assembly led by Mrs Gascoigne who told us the winners of the house point cup! At 12:30pm we had a whole school virtual picnic. It was wonderful to see everyone and to be able to celebrate together. Mr Hosking encouraged us to be active with Fresh and Fit and Year 6 led a poetry recital. If you are able to, please consider donating some food to a local food bank and take a picture so we can share on our website. We are also asking all our home learners to sing and dance along to our 2021 Founders Day song "We get locked down, but we get up again" and to send in photos or video clips that we can send to the Trust who will make a video of all the schools.
